(donations will be accepted)

Dr. Paul A. Byrne is a Board-Pediatrician, past President of

Association. He is the producer of the film *Continuum of Life*, the author of several books and journal articles. He has presented testimony on life-death issues to nine state legislatures and appeared on Good Morning America, the British Broadcasting Corporation (BBC) documentary, and public television in Japan.

Certified Neonatologist and
the Catholic Medical

‘Brain Death’ is not the same as ‘true death’

In 1975, Dr. Byrne treated and saved Joseph, a prematurely born baby, who was declared ‘brain dead’. Joseph eventually made a full recovery.

Talk Highlights:

Brain death vs. true death

Life from creation to death
